OEKO-TEX®
CONFIDENCE IN TEXTILES
STANDARD 100

Sublimation printed microfiber towels are a great choice for promotional products, gifts or personal use. They are soft, durable and absorbent, and you can put any pattern or logo on them. Sublimation printing is a process that uses heat and pressure to transfer ink from paper to fabric, creating vibrant and long-lasting colors. Unlike other printing methods, sublimation printing will not fade, crack or peel over time. Sublimation printed microfiber towels are available in various sizes, shapes and colors and can be used for various purposes such as sports, travel, beauty or home.

Imprint:
Full color sublimation according to the customer's design, one or two-sided
Size:
50×90 cm, 70×140 cm
